01 ALPINESTARS STELLA RACE SUIT

If the Stig had a female equivalent - Stigella, say - this is the kind of kit she'd most likely wear. It's FIA approved, too. Cost: £729.95 www.alpinestars.com

02 ARAI GP-6R6 RACE HELMET

Top-of-the-range, carbon-fibre, FIA-approved, HANS-compatible lid from Aral - the masters of helmetry. As worn by Lewis. Cost: £2,589 + VAT www.whyaral.co.uk

03 DRIVEDATA DR3

Film your own on-board footage with this. You get 8Gb of storage (3 hours), it weighs 180g and is the size of a credit card. Cost: £895 www.drivedata.com

04 SNAP-ON ASTON TOOLBOX

Not a bad place to keep your spanners. Especially if you've got a Vantage GT4 parked somewhere nearby, and a mechanic to fettle it for you... Cost: £3,150 www.snapon.com/uk

05 ALPINESTARS GPTRACKS

Look closely at these karting boots - those little squiggles are the outlines of Grand Prix circuits. Cost: £79.95 www.alpinestars.com

TOP GEAR TEST TRACK BUMPER STICKER

Going to a track day this year? Make sure you've got one of our special-edition Dunsfold Test Track
